GROWN IN CALIFORNIA

## ORGANIC LEMONS

Big, juicy, peak-season lemons! Squeeze them over fish, wedge for hot tea, juice for marinades, bake into desserts, and even use with kosher salt to clean coffee pots. And since they're organically grown their aromatic zest can be grated into everything from sauces to cakes, without fear of pesticides.

PRODUCT OF USA

## COD FILLETS

A New England favorite! Lean, mild and sweet, this snow-white cod comes from day-boat catches in frigid North Atlantic waters. Broil, bake or sauté; top with herbs or buttered breadcrumbs for a delicious classic.
